

Sponsorship Prospectus

The 2021 Texas Academy of Nutrition and Dietetics Annual Conference & Exhibition (TX ACE) has reached beyond its borders to partner with other state affiliates of the Academy of Nutrition and Dietetics (including Arkansas, Kansas, Wyoming and Utah) for the first ever the ***Nutrition and Dietetics 2021 Virtual Conference & Exhibition***, to be held on the dates of April 8-10th, 2021. The theme for this year's event is, "Building a community of inclusive nutrition experts."

Attendees of this conference are professionals who make and influence buying decisions. Conference attendees are eager to learn about the latest scientifically based research, products and services that they can share with employers, colleagues, clients and consumers.

By participating in our Nutrition and Dietetics 2021 Virtual Conference & Exhibition you are putting your organization, message, and product in front of your target audience. Conference attendees use, recommend and purchase the products and services that you are selling. Our sponsors and exhibitors get the jump on competitors by not only gaining visibility, but also by communicating one-on-one with members.

Through sponsorship at the Nutrition and Dietetics 2021 Virtual Conference & Exhibition, you can:

- Increase your exposure
- Create brand awareness
- Target your marketing to your ideal audience
- Drive sales
- Market to a multi-state audience

Marketing through state academies is an excellent way for your company/business to get information about your products and services to food and nutrition professionals who are not only consumers, but influential with their peers and clients.

With our interactive virtual platform, you will be able to connect, network and interact with as many as 500+ registered dietitians, dietetic interns and students from one location.

Texas Academy of Nutrition and Dietetics

The Texas Academy of Nutrition and Dietetics, an affiliate of the Academy of Nutrition and Dietetics, is a not-for-profit organization of over 4,000 registered dietitian nutritionists, dietetic technicians and students in Texas.

Texas Academy members provide food and nutrition resources for Texans. They are here to help Texans improve and manage their health – and make eating an enjoyable and delicious experience.

Our members work in a variety of settings such as business and industry, consulting, schools, universities and research centers, hospitals and clinics, public health units, long-term care facilities, pharmaceutical companies and health fitness centers.

Mission: Optimize the health of Texans

Vision: Empower Texas Academy members to be food and nutrition leaders
